CHILDCARE REGISTRATION INSTRUCTIONS

All children 6 weeks old and up must use child care during class time. 😊

NEW CHILDCARE POLICY FOR 2018-2019

If you are accepted into class and need childcare, you will need to pay for your child(ren)'s space in childcare. There are 2 payment options. If you pay for the entire year, the cost is \$140.00 (\$4.67 per week). If you want to pay by semester (September to end of January and end of January to May), the cost is \$80.00 per semester (\$5.33 per week). You will receive an invoice by email when you are accepted into class. Payment information and due date will be listed on the invoice. The cost is a flat fee per family. It does not matter how many children per family or how many classes you take. If you are accepted into class(es) any other time than September, you will receive a pro-rated invoice.

If you are accepted into class and need childcare, and we do not receive payment for the child care fee by the due date on the invoice, your child care spot(s) will be given to someone else. The fee is non-refundable and non-transferable.

If you are pregnant and will want to use childcare after your baby is born, please indicate this on the registration form. You can pay the childcare fee to hold a space for your new baby at the start of the semester in September or January, or you can choose to go on the waiting list (after you have your baby), until you are ready to come back to class. We will add you back to class when there is a childcare spot available.
