

The Senior & Foundation Ministries of **St. Matthew Lutheran Church** are hosting a free seminar, open to the public, to help you understand the components of Medicare Parts A, B, C, D, Advantage Plans, Supplements Plans, deadlines and more.

Medicare is no longer a simple health insurance plan for seniors. Whether to enroll in Part B, who covers the cost of drugs, and what expenses will I have to pay, are all questions that should be given thorough consideration when choosing a Medicare plan. This presentation will provide a basic understanding of what Medicare does and does not cover. You will also hear about private insurance plans that can cover many of the gaps that exist, and what advantages they offer.

Space is limited, so please register at www.st-matthew.org/medicare

Monday, October 4, 2021, at 7:00pm
Room 304 at St. Matthew Lutheran Church
