Financial Support

Become a financial partner and support the work we do everyday. We are seeking churches, organizations and individuals that wish to support our ministry both today and for the future.

Bring a Group to Volunteer

Gather a group to volunteer on our campus. You can come for the day or stay overnight in our dorms. We have service projects for all ages and abilities!

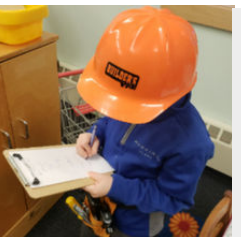

Prepare Meals for Our Camper Groups

Each year we house and feed thousands of volunteers from all over Michigan and beyond. We love to offer our volunteers home-cooked meals after a long day of serving. Sign up to prepare a meal or two (or more!) for our camper groups and then join us for the meal!

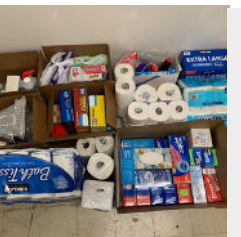

Adopt a Program

We have many amazing programs that support our residents in their emotional, physical and spiritual well being. By adopting a program you will have the opportunity throughout the year to meet the needs of the program, pray for the program and keep updated on the impact that program is having in our community. (examples are Youth Mentoring Program, Tutoring Program, etc. . .)

Skilled Volunteer Help

We are always looking for volunteers with special skills that can offer in-kind service. If you have skills in areas like: nonprofit bookkeeping, fundraising & development, marketing, construction, skilled trades, gardening/landscaping, painting, mentoring youth, tutoring/teaching, etc. . . . we would love to connect!

Donate from our Wishlist (Flip over to see our wishlist)

We are always in need of supplies to keep camp running smoothly. This includes things like paper goods, toilet paper, cleaning supplies, dry goods, etc. . . . Organize a supply drive at your church or organization or purchase a few items. We are grateful for each and every donation, big or small!

Prayer Partners

Please pray for our ministry! We know that God has big plans for Camp Restore Detroit, and we want to make sure we continue to walk in His will. Becoming a prayer partner with CRD is one way you can support us behind the scenes. You can reach out to us to for ideas on how to pray for our ministry.
